

WE ARE BACK!!!

The committee have been thinking and consulting via the internet and decided that we should restart meetings before next year, 2021. We have practiced Zoom, emailed, talked over the telephone the result is.....

We are going **virtual** and **meeting** at Patcham Community Centre.

Something for everyone. Reserve the following dates.

September 5th. 7p.m. A workshop on Zoom led by Helen. We will be using hand embroidery.

October 3rd. 7p.m. An exciting workshop, also on Zoom, led by Frances Lindsey-Hills, using inks, dyes, crayons, or anything you can make a mark with. Plus masking tape. Intriguing.

November 7th. 2 to 4 p.m. (To Be Confirmed) Meeting at Patcham. Upstairs in rooms 4 and 5. Members will exhibit all the work they have created since the March lockdown. We will endeavour to make this 'Covid Safe' and include a 'socially distanced Christmas Party.'

December 5th. 7p.m. A Christmassy Stitch Session on Zoom.

We have not forgotten those not on the internet. Examples and copies of the planned work to be discussed on Zoom will be posted to them. We will email everyone else. Keep checking your email for information.

Using Zoom is very easy. The tricky bit is mine! (well my husband really). It really is easy, as Dianne will testify. You just double click on the code beginning http and follow the on screen instructions. Then you will see and can talk to everyone. Bring your own tea, coffee, G & T, or wine to the virtual meeting! Oh and also pins, needles, thread, material etc, etc.

- We will email requirements and instructions before the Zoom and Patcham meetings.

Please email me ASAP if you are interested in joining us on Zoom, so that I can place you on the contact list for Zoom. Then I will email more details and a requirements list. All requirement will be readily available.

This work was created during lockdown.

Jan has a new great grandchild. She couldn't go out to buy material during lockdown, her solution was to repurpose her Mother's pretty Liberty lawn skirt and an a pair of adults Clothkits, dungarees. Jan used 1980's material to make unique and beautiful outfits, for a child born in 2020.
