

The first virtual meeting was a success, in spite of a few frozen screens. Everyone logged in and enjoyed following Helen and Dianne's instructions. Large and small Biscornus have been completed.

Fabric was embroidered, written and on screen instructions were given, biscornu created. Participants enjoyed the social side, whilst helping each other. It was also convenient that you could pop upstairs for the items you had forgotten! After the meeting many members went on to make more biscornu, large and small.

Biscornu means quirky, and is a 8 sided shape created from two identical sized squares. Most members created pin cushions but you can scale up the shape into cushions,. Even Harry Potter became involved. (a cushion for Harry Potter following grandchildren!)

For more examples please see our website, brightonembroidery.org

Please save and take care of your biscornu so that they can become part of our Brighton Guild's display at the South East Area, Ardingly show in July 2021.

Joke of the Month

Why are Christmas trees so bad at sewing?

They always drop their needles.

Hard to believe, but it is only 13 weeks to Christmas.

Future Zoom Meetings.

October 3rd. 7p.m. An exciting workshop, also on Zoom, led by Frances Lindsey-Hills, using inks, dyes, crayons, or anything you can make a mark with. Plus masking tape. Intriguing. I will attach Frances' Notes for the Mark Making' workshop to the email as a PDF file.

November 7th. 2 to 4 p.m. Meeting at Patcham. Cancelled. Unfortunately this meeting can no longer take place. Patcham is only accepting one booking per day and it would be very difficult to keep everyone safe during this Covid Pandemic. To be replaced by.....

November 7th 7pm. Creating Margarites using turkey stitch. The resulting work can be used to decorate a mask, pocket or to create a picture. Led by Carolyn Brown.

December 5th. 7p.m. A Christmas Workshop on Zoom. Creating a Christmassy Origami Ornament. To be led by Louise Mabbs.
