

Newsletter

28th July 2021

Good News.

Patcham Community Centre is now open and we are booked for our meetings from the 4th September into rooms 3 and 4 so that we can space ourselves out safely. We will also have plenty of ventilation. (Open all the windows!) Masks will be worn unless seated, but this will be continually reviewed.

Our September meeting is a full day workshop from 10.30 until 4.00pm tutor Anne Sillifant. We will create a panel to form a vase, it will be inspired by nature. We will use layers of chiffon and soluble fabric. Anne will give a short talk, time to be confirmed. More details later. Fees are £15.00 for all day workshops, members only. £25.00 for none members.

Could you please pay your annual subscription fees of £25.00. for September 2021/2022 If you are going to Dianne's garden party in Hurstpierpoint and could pay before the 7th August I will give you the membership card then, otherwise I will post it. No rush, but several members have asked about payment, you have until the 31st September, after which it increases to £28.00! Please email begwebmaster@btinternet.com for bank transfer payment details

Once you have paid please let me know. You can pay through internet banking or by phoning or asking your bank personally.

We are still listed as the Embroiderers guild on the account but hope to change it soon, to Brighton Embroidery Group.

We've sent off the letter but await Barclays actioning it. To say the least Barclays have been slow in agreeing to the change. Helen tried! The sort code and Account Number will remain the same.

If you wish to and plan to attend on the 4th September you can pay for the annual fee and workshop together. Just let me know.

Urgent Calling existing and new members.

We are still in need of a Programme Secretary. We cannot function in 2022 without one. As you know Louise is moving to Newcastle in late August, and it is obviously not practical for her to continue. It would be a shame after continuing through the pandemic and gaining members, we had to close. We already have ideas for 6 meetings and a list of possible tutors, plus Frances is very willing to assist. All committee members will also help. Frances will also explain what is involved. I'll pass on her phone number if you feel you could help. Please email me. You only need internet connection, and some ideas, which we already have!
