December 2021/January 2022

January 8th Meeting. 'Make an Exhibition of Yourself.' 2 to 4pm

Patcham Community Centre, Brighton. BN1 8TA

Please bring any creative textile work you have stitched during this difficult time from 2019 to 2022. This will prove that we have not been defeated by 3 lockdowns or weeks and months of being very careful. Creative textiles, embroidery, and any stitch related work, has occupied us and raised our spirits during a difficult time. We would all like to admire the work created by our talented members.

Sue Lacey and Frances L-H will set up an exhibition of all the amazing stitching you have created during the last 2 years.

Please bring your work clearly labelled with your name.

Next meeting Saturday 8th January at 2p.m.

Exhibition and bring and buy.

Sue and Frances would be grateful if you could get busy filling bags

It is a new year and time for change. Look through your stash and make up lots of small bags of fabrics, threads, ribbons, tools, all those bits you thought would come in useful one day. This is your opportunity to get rid of them and change them for something you really want. Put them in clear bags and price them, something between £1 and £5. All the profits for the sales will go to the Embroiders Group. We have exciting plans for 2022 and this will help to pay for them.

There will be display screens for you to pin up the work you did in lock down. We all love to look at and discuss other people's work. We have so many talented members with your contributions it is going to be a really interesting exhibition.

Any questions contact Sue Lacey or Frances Lindsay-Hills

Happy Christmas Stitching and turkey with all the trimmings!
