November 2022

Thank you, Dianne, for creating such an artistic seascape and giving us such an amazing choice of threads and textiles from your collection. You shared your techniques and threads so we could all create our own individual piece. We all went home eager to finish our own seascape.

Red embroidery thread (some will be provided if you don't have any).  
Red ribbon or cord if you have it (I have plain red ribbon you can use)  
Small hoop if you are planning to sew on cotton.
